

FESTIVAL OF MAROONS AND CHESTNUTS LOVRAN

25 / 10.30.2017. Or 26 / 10.30.2017.

Lovran which owes its name to thousands of oleanders that grow here, each year welcomes a particular festival that enchants young and old and rediscover these sometimes forgotten traditions who yet are one of the essential heritage of Istria and Croatia!

6-day stay in Lovran / Opatija, where you will go to discover the small towns and villages surrounding these wonders of the Kvarner, with their traditions, delicious recipes, tastings and entertainment. Between Labin and Mošćenička Draga, Krčuli and Rovinj, Opatija and Rijeka and you'll still have time to explore the festival of maroons and chestnuts!

To receive the full, detailed program and prices, [please send us an email](#) specifying whether you are travel agency or private people; the number of interested persons; the desired dates; if your program request is based on groups or individuals. We process your request as quickly as possible. Thank you
