

OPATIJA

Opatija, located at the foot of the mountain Učka. Pearl of Kvarner, sees its economic and cultural development started in 1844 when the rich Patrician merchant Iginio Scarpa and his wife built the Villa "Angiolina". It was immediately fame and fortune of this coast that became the seat of an elite tourism. With its micro climate this seaside resort is renowned throughout Europe.

Stay of 6 days in Opatija where you will discover the pearls of its surroundings, from Poreč to Grožnjan, from Rovinj to Pula, from Motovun to Kruli and Labin, Cres, Krk well as Rijeka and Učka Mountain!
