

DAYS OF TRUFFLES AND DISCOVERY OF ISTRIA AND KVARNER

Istria is a special land, located at the place where begins the first land of the southern Europe. Ancient land par excellence, it is rough, hilly and rocky in its interior; but she can be mesmerizing, warm, solar, graceful and full of charm and hidden treasures displayed in its western part of the sea. But the quintessential gourmet familiar gray Istria, or in this bold and moist soil grows the tuber recognized as one of the divine food of the gods: truffles! Truffles grow in the gray soil and its epicenter is in the damp of Motovun woods through which flows the river Mirna. The truffle zone extends northeast to the town of Buzet and Lupoglav and reached the southeast Raša River near Labin and south to Pazin. Come participate in the Truffle days in September, enjoy these wonders and fall in love with Istrian jewels!

6 days stay Opatija / Porec. Participations to Truffle days, tastings and discovery of small Istrian villages and wonderful towns like Rovinj, Porec, Opatija, Pula, Rijeka, Motovun, Grožnjan, Labin ...

To receive the full, detailed program and prices, [please send us an email](#) specifying whether you are travel agency or private people; the number of interested persons; the desired dates; if your program request is based on groups or individuals. We process your request as quickly as possible. Thank you
